OSA-0144-70

11 June 1970

MEMORANDUM FOR: Director of Special Activities

SUBJECT : Forthcoming Psychiatric and Psychological  
Evaluation and Assessment of Project  
USAF Pilots

1. This memorandum contains a recommendation for the approval of the Director of Special Activities. Such recommendation is contained in paragraph 5.

2. On 20 June 1970, OSA will be receiving six (6) USAF pilots for evaluation as project pilots. They will have spent the previous week at USAF School of Aviation Medicine at San Antonio, Texas.

25X1 3. They will be placed in separate rooms at the [redacted] One extra suite will also be obtained to sleep two (2) Agency psychologists who will spend the night there, and additionally, the suite will be available for meetings.

4. Part of the evaluation and assessment consists of observing the candidates under social situations involving alcohol which is obtained by having cocktail parties in the suite using liquor purchased outside the hotel to reduce costs. To vary the monotony, the candidates are taken to other local restaurants by the Flight Surgeons and Psychologists. It will also be arranged for a tour of Washington, D.C., etc.

A. The estimated costs are as follows:
